

Mountain Valley Floors

Partner With Us!

Mountain Valley Floors wants to say THANK YOU for choosing our services and referring others to do the same. Become an MVF Partner and earn points for every referral that leads to a completed flooring, tiling, or countertop project. For all your own projects and referrals that result in a completed job, you'll build points to earn some great rewards!

There are THREE simple elements to the MVF Partner Rewards Program:

- 1 Collect one point for every one dollar YOU spend with MVF for projects of your own.
- 2 Collect ½ a point for every dollar that a NEW client, whom you have referred, spends with MVF for any kind of project listed above
- 3 "Bank" points to reach a higher level reward or redeem at any level:
 - **Level 1:** 10,000 points = \$100 gift certificate to a local restaurant in Fort Collins
 - **Level 2:** 25,000 points = \$250 Visa Gift Card
 - **Level 3:** 50,000 points or above = 2 night stay at a Luxury Hotel in Colorado PLUS the \$250 Visa Gift Card (\$600 value)

Community Rewards Program:*

Mountain Valley Floors believes in giving back to our community. If you prefer to make a **donation** to a local non-profit / charitable organization **instead of accumulating points**, we'll be glad to donate **3%** of your project total. Just tell us which organization you support OR pick from one of the suggestions below. Upon completion and full payment of the project, MVF will send a check directly to the charity.

- Larimer County Humane Society
- Food Bank of Larimer County
- Alpha Center
- A youth sports organization of your choice

*May not be used in conjunction with any other promotion or in combination with the MVF Partner Rewards Program.

Mountain Valley Floors

MVF Partners Rewards Program Additional Information and Rules:

- Points and dinner certificates are awarded only when projects are completed and paid in full.
- Client/ Partner refers to one family unit only, not related parties. Points may not be pooled from multiple Partners.
- Referral points are awarded on a new referral client's **initial** project only. The new client/partner accumulates points on his/her own account for his/her subsequent projects or their own referrals.
- When a Partner reaches the 10,000 point level, a representative from MVF will contact the Partner to inform him or her. At this point the Partner either chooses to receive the Level 1 reward, or bank the points for a higher level. The same for reaching the 30,000 point level.
- Once a Partner reaches the 50,000 point level, the points must be redeemed before a new accrual period begins for that Partner.
- MVF reserves the right to change, amend, or expand, any rules, policies, or parameters of this rewards program or to discontinue this program without notice.
- Program begins June 1, 2009 and ends May 31, 2010.
