Learn To Play Hockey Program

Mountain States Youth Hockey is excited to offer a very affordable Mite program for boys and girls, between the ages of 5 and 8, who desire to learn to play the game of hockey.

The purpose of the MSYHA Mite program is to teach hockey skills to boys and girls in a fun environment. We emphasize the basic skills kids need as they mature as hockey players, with a heavy emphasis on skating.

We offer 19 practice sessions and guarantee 8 mite game sessions. The season starts Nov 14 and run through Mar 20th - All sessions will be held at the Mountain States Ice Rink in Greeley Colorado and Games Schedule will be announced.

Costs will be \$250.00 for the entire season and all players will learn the basics of the game with a focus on fun. The children's first contact with hockey will be a safe and positive experience.

If you have questions and desires to become involved in the Mite program with MSYHA please contact Larry MacDonald at renegadespresident@comcast.net
